

Preliminary Fish Habitat Water Type Map Request Form

Preliminary Fish Habitat Water Type Maps of Western Washington are now available for public preview. Maps are produced in Quarter (1/4) Township format. To receive a paper map for a specific location, follow the instructions below.

This form has two sections:

Section I - General Information: to be completed by anyone requesting a map

Section II – Geographic Area: list the township, range (E or W) and section of the map(s) requested

Please fill in the information and return your completed form to the address below. If you need assistance with the form, call the Forest Practices Help Desk at (360) 902-1420 or email: fpd@wadnr.gov
